6. Detailed Insurance Accident History Information

 While vehicle 39003253 is not covered by Own Damage Coverage, it is not possible to provide accident history information processed by my insurance .

Non-subscription period April 2022 – March 2026

Depending on the source of insurance payouts and repair (estimate) costs, information is provided categorized into 'cases paid by your insured company (your car insurance)' and 'cases paid by another vehicle insurance company (the other party's insurance) . ' It provides information on cases where damage to the other party's vehicle or property caused by a car accident is paid out of your insurance fund .

If the damage and repair records of the vehicle in question are processed simultaneously by both your car insurance and the other party's insurance due to mutual fault, they will be displayed only in 'My Car Insurance' and omitted from 'Opponent's Insurance'.

2022-08-11	My car accident occurred (damage)		Accident involving the other vehicle (damage)
	My car insurance (processing)	Opponent's insurance (processing)	My car insurance (processing)
			Repair (Estimate) Cost 520,577 won - Parts: 12,825 won - Labor: 183,463 won - Painting: 324,289 won

- Some errors may occur due to the data collection method used by Car History. If you have any doubts, please give us a call.
- The above 'repair (estimate) costs' represent the repair and estimate (parts/labor/painting) costs excluding indirect damages such as rental car fees and loss of use fees, as well as comparative negligence amounts, from the insurance payout made by the insurance company, and differ from the actual insurance payout.
- The 'Repair History Information' mentioned above is provided on a limited basis, only if we possess insurance repair work records for the relevant accident vehicle. We will strive to better organize our data in the future so that more repair history information can be provided.

Glossary

- Repair (Estimate) Cost** is an event that a vehicle is damaged in a car accident, the insurance payout provided by the insurance company consists of the costs or estimates required to repair the vehicle, excluding indirect damages such as vehicle transportation expenses, rental fees, and loss of use charges, as well as amounts offset for comparative negligence, and comprises parts costs, labor costs, and painting fees.

- **Unconfirmed accident** refers to an accident that has been reported to the insurance company as an automobile insurance accident but has not yet been finalized because the accident processing is not complete, or an accident that has been finalized but has not been processed because the relevant data has not yet been transferred to the Korea Insurance Development Institute (transmission once a month, takes 2 to 3 months).
- **Non-subscription period** During which information on automobile repair costs paid under Own Damage Coverage cannot be provided due to the period of non-subscription to Own Damage Coverage.
